

**RESOLUTION**

**WHEREAS**, Davidson-Davie Community College (“Davidson-Davie”) is pursuing a unique collaboration with regional and local partners, with funding in the amount of \$16.2 million secured by our state legislative delegation, for the development and construction of a Regional Training and Distribution Center for Emergency Response and Public Health; and,

**WHEREAS**, the need for such a center is critical to support the future health and safety of our citizens, through the training and continuing education of emergency responders and public health professionals who protect our communities during natural disasters, mass casualty events, pandemics, and the daily needs of the citizenry; and,

**WHEREAS**, the new center will serve as a physical location, centrally located in Davidson County and our region, for mass vaccination events and other large-scale needs, and simultaneously provide a location for multiple other academic, recreational, and community needs; and,

**WHEREAS**, the Davidson-Davie Community College Foundation Holdings, LLC owns the preferred property for construction of this center across Old Greensboro Road from the Davidson Campus; and

**WHEREAS**, since 1968, the Foundation has operated exclusively to support the students and programs of the College, and has done so through dedicated, generous, and forward-thinking support of multiple College programs and initiatives, including the provision of thousands of scholarship awards to support our students;

**THEREFORE, BE IT NOW RESOLVED**, that the Board of Directors of the Foundation expresses its support for the development and construction of a Regional Training and Distribution Center for Emergency Response and Public Health, and will provide the needed parcel of land to make this project a reality, subject to the future recommendations of the architectural team and approval by this Board.

This 23<sup>rd</sup> day of March, 2022.
